Serial No.

1 Sub:- Grant of land to Bapuji Raitha Janodaya Sangha,

---

2 ~~Subject:-~~ An area of 300-0-0 acres in Tylur State Forest, Channapatna Range, was ordered to be disforested and granted in favour of Bapuji Raitha Janodaya Sangha, Honne Halli, Kanakapura Taluk, which is owoed to be an Organisation taking into its fold not only the Harijans and other Depressed classes but also some of the caste Hindus as its members. When Government Order No.AFD 233 FGL 59 dated 28-10-1959 was issued the specific area asked for now by the applicants was not mentioned therein which has now resulted in the present representation being made by them.

P 5/c

3 The remarks of the CCF was called for in Govt. memo no.AFD 1850/60 dt.2-3-60 along with the application dt.15-2-60 to which they now refer and also complain that no action has yet been taken.

4 Now the petitioners state that the forest department are offering an area beset with hilly region etc., which in the contention of the petitioners would be of no avail as the purpose of this grant was to bring the land under cultivation and rehabilitate the hundred families under the Sangh to colonise and to contribute to the production of the food grains. They further request that the area from west of the Tylur forest which includes a parcel of 20 acres of thangadi plantation, may be granted to them if at all the intention of Government is to be well served and therefore that a modified Government order specifying that the area lying to the west in Tylur forest, i.e., the area that the petitioners have selected, should be issued so that they may start the agricultural operations as early as possible.

5 If it is the intention of Government that they should be given the area they are now asking for, it may be agreed to subject to the condition that the cost of thangadi plantation should be charged and recovered from them, and if so a modified order will be issued as the concerned file AFD 233 FGL 59 was put up along with file AFD 28 FGN 60 in connection with L.A.Question No.38 by Sri.S.Kariyappa of Virupakshipur, Kanakapura Taluk, on 6-3-

Grant of land in Tylur Forest to The Bapuji Rythajanodaya Sangha, Honnalli, Kanakapura Taluk.

File No. AFD 233 FGL 59 (Sup) of 195

Mysore Government Secretariat

	Serial No.
The letters dated 14-3-60 and 18-5-60 from the CCF may kindly be perused at pages 17 and 23 c.	11
In his letter dated 14-3-60 the CCF requests Government for reconsideration of orders issued by Govt. releasing 300 acres to the Sangh on the premises that the villagers of Venkatarayanadoddi etc., are protesting to the release of this land on the score that the grazing of cattle would be affected.	
The CCF while recommending as above has not perhaps taken into consideration the area as gomal already existing in the villages referred to in the petition which is exclusively meant for grazing of cattle. It is not, more over, incumbent for forest department to throw open for grazing in addition to gomal. However grazing of cattle except goats is free in forests throughout the State.	12
The complaint of a handful of signatories said to represent all the villages, more over is illbased and in illconceived, perhaps out of pique and spite against the Sangh and its members inasmuch as according to themselves the cattle strength of the surrounding villages is 3,200 (this is an estimate one not based on the 1956 cattle census). The cattle therefore can have gomals, where gomal not available, unoccupied wastes etc., are available for cattle in addition to which free grazing is allowed in forest areas. In view of this, it may be seen that the protest is untenable and illfounded.	13
It may be stated here that there will be no end to this sort of agitation and counter agitations by the vested few on the basis of factions existing in the villages and it is all the more significant when the Harijans are benefitted by the	14

WD 04700—GPB—PZS—8,00,000—1958

Serial No.

the land grant. Their case deserves Government's sympathetic consideration. Government have sufficient experience in this behalf in Chamarajanagar State Forest Land Case.

15 The recommendation of the CCF may therefore be rejected particularly in view of the Government's Order No.RD 210 LGB 58 dt.13-3-50 fixing the extent of gomal in proportion of the cattle of the village, and also as it suggests reflection on the orders already passed by the Government after careful consideration of all aspects of the question at the time and further the argument of the CCF is unconvincing and illtimed.

16 The petitioners are now requesting that they may be allotted land from west of the Tylur State Forest in that case they would get about 300 acres of land suitable for cultivation and establishment of the proposed colony. It is also said that if this area is given to them, it will also be benefitted by the bund proposed to be built across the Doddahalla and irrigate the land. Otherwise the land if released as per the recommendation of the CCF, cannot be fully utilised and it will also fall short of 300 acres, which is already less for 100 families, as the area contains mainly rocky region. (Please see the sketches at page 3a and 25c)

17 It is therefore suggested that the land the petitioners are claiming may be granted to them if at all the intention of Government and the interests of the Sangh vis-a-vis the 100 families of it, should be better served. The malki value for the plantation of 24 acres stated to be in the area may be recovered from them.

18 Submitted for orders of Government on paras 4, 5, 15 and 17 of the notes.

Note.—Contn. Sheet

1/6/60.

File No. of 195 . . | Mysore Government Secretariat

Serial No. 10

The Bapuji Raitha Janodaya Sangha, Honna Halli, Kanakapura Taluk have applied to the Govt. for release of 300 acres of cultivable land to the depressed classes and poorer cast Hindus in the Thylur State Forest area in Channapatna Range. In G.O. dated 28th October 1959, Govt. agreed to release 300 acres as requested for in the Thylur Forest for cultivation. Then arose the question as to which exact area in the Thylur forest was to be released. In their further representation, the Sangha mentioned that in the absence of specific orders Forest Dept. has been offering land towards the eastern part of the State Forest and that they would like to have the western part. Since we do not have any details regarding the area in question, the C.C.F. was requested to offer detailed remarks on all the points raised in Govt. letter at page 7 c/s, in response to which a report has been received both from the C.C.F. and the D.F.O. They may please be seen at pages 23 and 21 respectively. A rough sketch of the area has also been prepared and sent by the Forest Authorities. The total area of the Thylur Forest is 1,268 acres. According to the reports of the Forest Officers, the entire Thylur State Forest area is rocky and there is no question of there being any area free from rocks or hills. The Forest Officers are of the opinion that the best available portion for cultivation is constituted towards the eastern portion of the forest, i.e., in and around Survey No.1. The western portion which has been

P5 cs

P3.cs

P.25 cs

× Pl. see A in p.11.

requested for release is stated to contain Tangadi Plantations and plenty of sandalwood. They are unable to assess the exact value of the material in this area, but on my discussions with the D.F.O., I understand that the value is considerable. Towards the western part of the forest in S. No.6, 24 acres have been shown to contain plantations. In the circumstances, it is suggested that we accept the recommendations of the local Forest Officers and release 300 acres of the south and south-eastern portion of the State Forests as marked by me in ink in the sketch. Since we have committed ourselves to release 300 acres, orders will have to be issued immediately placing this portion at the disposal of the R.D. for assignment to the needy people. At the same time, I would suggest that it would not be advisable to part with the Western area which the Sangha has been insisting on having in view of the categorical report that there is good growth of sandalwood and tangadi.

In addition to these considerations, there is also another point which has ~~been~~ to be taken note of that quite a few villages of Sathnur Hobli have sent petitions to the Minister, Forests and to the Chief Minister that Thylur Forest constitutes the grazing area of these villages and any release of this area would not be in their interest. Even though we may not fully comply with their request that no area should be released at all, we cannot completely ignore their protest.

For orders.

MYSORE GOVERNMENT SECRETARIAT
No. 3101
4 APR
FOREST BRANCH

Date 18th March 1960

To,
The Honourable Minister for Forests,
and Transport, Govt. of Mysore.
BANGALORE.

Respected Sir,

I write to bring to your kind notice that the benign Government have very sympathetically granted 300 acres of cultivable land to the Depressed Class and other poorer caste Hindu Members of the above Sangha from S.No: 6, 54 and 1 of the Thylur State Forest of Channapatna Range, Bangalore District.

But as the land granted is not specified in the G.N.No:AFD.233.F.G.L.59 dated 28-10-59, thereon the Officers of the Forest Department state that in the absence of specification, they would allot the the land only from the East, which is hilly region, instead of from the West, i.e. commencing from S.No:6,54 and 1, including the remaining portion of Thangadi Plantation (i.e. about 20 acres only) which is normally fite for cultivation.

Hence, I very humbly request your honourable self kindly to cause the issue of necessary specifications in this behalf as indicated above. Otherwise granting of land in the hilly region would be of no avail for cultivation. Moreover as there is about 3000 acres of forest area, granting of the above land for purpose of cultivation to above sanga members shall not cause any hardship to the cattle graying etc. thereon. Hence it is my humble prayer that the land fit for cultivation may kindly be caused to be specified as noted above and

put up early
20/3/6.

be granted to these people as prayed for.

I also bring to your kind notice that an application to this effect has also been sent to your good office on 15-2-60, But still no favourable action appears to have been taken so far.

I hopy my humble prayer on behalf of the members of the Sangha shall be fulfilled for which act of kindness I shall be ever grateful to you Sir,

Yours faithfully,

(R.SUBBANNA)

Dt.27th April'60.

MYSORE GOVERNMENT SECRETARIAT
No. 4002
28 APR
FOREST BRANCH

To

The Chief Conservator of Forests
in Mysore, Bangalore.

Sir,

Sub:-Grant of 300 acres of land in Tylur St.Ft. of Channapatna Range, Kanakapura Taluk to the Rytha Janodaya Sanga of Honnahalli.

Ref:-No.AFD.233 FGL 59 (Suppl.) of 15-4-1960 from the Secretary, (Agriculture and Forests) to you.

2) D.O.No.AFD.233 FGL 59 (Suppl.) of 26-4-60 from the Deputy Secretary to this office, direct.

:-0-:

I submit the following replies to the points raised therein.

1) The petitioners are asking for lands in the S.No.6 and S.No.1 comprised in the Tylur St.Ft. at the time of reservation.

2) The total area of the Tylur St.Ft. is about 1268 acres.

3) An area of 300 acres from the Eastern side was being marked for release, when the Secretary of the Sangh, Sri.Madiah, protested on the ground the area contains rocky patches.

4) The Thangadi plantation with considerable number of Sandal is Existing at the Western end as shown in the sketch. The value of this cannot be assessed, to any correct degree before extracting and preparing the Sandal and auctioning the plantations.

5) Sketch is enclosed.

Tylur St.Ft. is essentially a rocky area and the area of 300 acres now proposed to be released South of the Kambasagara and Venkatarayanadoddi road is about the best available, excluding the patch of Sandal and Seemethangadi in the West. The actual cultivable area could be assessed only after a careful survey and mapping by the Office of the Working Plans, and Forest Surveys. A

If I am permitted to furnish my opinion, the Sangha may be advised in view of the urgency, to commence their work from the Eastern portions, in the areas available for cultivation, pending survey and mapping of the cultivable patches.

PROCEEDINGS OF THE GOVERNMENT OF MYSORE

Read:

Resolution No.GRS 1053/5627 dated 20-5-1954 issued by the Revenue Department, Government of Bombay stipulating the standard acreage of grazing area at 40 acres per 100 head of cattle in Northern Division and 50 acres per 100 head of cattle in Central Division and Southern Division and adding that if forest areas are available for grazing in or adjoining a village that factor should be taken into account at the time of disposing the grazing lands in that village and the limits prescribed halved where necessary.

2. Notification No.64 dated the 16th November, 1950 issued by the Revenue Department of erstwhile Government of Hyderabad stipulating that at least 10 per cent of the total area under cultivation in a village shall be set apart as the grazing lands for cattle etc.

3. Paragraph 108 of the Mysore Revenue Manual laying down rules for allotment of gomal lands.

ORDER NO.RD 210 LGB 58
Bangalore, dated 13th March, 1959/22nd.Phalguna Saka 1880

According to Rules for allotment of gomal lands in old Mysore Area, an extent of 30 acres of good pasturage is assigned to each village as grazing common for every hundred heads of cattle. Failing the better sort of pasture land, 60 acres of middling and 100 acres of inferior land have to be assigned and not more than one fourth of the occupied area should be allowed as gomal land in each village.

In Belgaum Divisio., the standard acreage of grazing area is 40 acres per 100 head of cattle in certain areas and 50 acres per 100 head of cattle in certain other areas, whilst in the Gulberga Division it is 10 per cent of total area available for cultivation. There is no land specifically reserved for grazing purposes in Coorg District.

With a view to have a uniform policy for reservation of Gomal for grazing purposes all over the State and in view of the large number of landless persons and the pressure on land, Government is pleased to direct that based on the Cattle Census of 1956, land be reserved for grazing at the rate of 30 acres per 100 head of cattle allover the State. In calculating the extent, four goats or sheep may be taken as equivalent to one cow, bullock or buffalo.

Where there is no grazing land attached to a village, a portion of unoccupied waste belonging to other villages and not attached to the common pasturage of the latter should be assigned for the purpose.

By Order and in the name of the
Governor of Mysore,

Sir,

Sub:-Request of the villagers of Venkatarayaradoddi etc., Kanakapura Taluk for reservation of Tylur State Forest for grazing cattle.

Ref:-Your memo No.AFD 174 /60 dated 16-1-1960 and AFD 12487/59 dated 12-1-1960.

Government in their No.AFD 223 FGL 59 dated 28-10-1959 have ordered the disforestation of 300 acres of land in Tylur State Forest of Kanakapur Taluk. The petitioners state that they have been using this State Forest for grazing their cattle and that their cattle would suffer, if any portion of this State Forest is released, on account of insufficient grazing area. In the absence of adequate grazing facilities it would not be desirable to release the forest area in question. In the circumstances I request you kindly to reconsider the matter and communicate orders of Government whether the area ordered to be disforested as per G.O.No.AFD 223 FGL 59 dated 28-10-1959 need not be handed over to the Revenue Department or otherwise. Pending receipt of the Government orders on the above the District Forest Officer, Bangalore would be asked not to hand over the area to the Revenue Departmnet. Early orders are requested.

The two applications are retransmitted.

No.B3-103-890/59
Enclosure of Sketch.

Chief Conservator's Office,
Bangalore, dated 18-5-60.

To

The Secretary to Government,
Agriculture and Forest Department,
Bangalore.

AGRICULTURE & FOREST DEPARTMENT
No. 25
TAPPAL SECTION
Date 19/5
M. G. S.

Sir,

Sub:-Grant of 300 acres of lands in Tylur State Forest, Sathnur Range, Kanakapura Taluk to the Rytha Janodaya Sangha, Honahalli.

Ref:-Your letter No.AFD 233 FGL 59 (Sup) dated 15-4-60.

I enclose a copy of letter No.R 211 dated 27-4-1960 from the District Forest Officer, Bangalore furnishing replies to the points raised in your letter under reference along with a sketch of the area for kind perusal. From the report it may be seen that Tylur Forest is essentially a rocky area and the area now proposed to be released to the South of Kambasagara and Venkatarayanadoddi road is stated to be the best area available. This may be released to the Sangha. As the area asked for by the Sangha includes plantation ~~containing~~ of consisting of sandal, Tamarind, Eucalyptus etc., it is not advisable to release the same. If it is approved that the area selected to the South of Kambasagara and Venkatarayanadoddi road should be released, then action will be taken to demarcate and release the are to the Revenue Department for taking further action. In this connection, I also invite your kind reference to this office letter of even number dated 14-3-1960 forwarding applications of the villagers of Venkatarayanadoddi etc., protesting the release of lands in Tylur State Forest for cultivation and orders thereon are still awaited.

19/5

19/5

Early orders are requested for taking further action.

MYSORE GOVERNMENT SECRETARIAT

Yours faithfully,

(K.KADAMBI)
Chief Conservator of Forests.

17/5.

Copy of letter No.R. 211 dated 27th April 1960 from the District Forest Officer, Bangalore to the Chief Conservator of Forests in Mysore, Bangalore.

Sub:-Grant of 300 acres of land in Tylur State Forest of Channapatna Range, Kanakapura Taluk to the Rytha Janodaya Sangha of Honnahalli.

Ref:- No.AFD 233 FGL 59 (Suppl) of 15-4-1960 from the Secretary, Agriculture and Forest to you.

2) D.O.No.AFD 233 FGL 59(Suppl) of 26-4-1960 from the Deputy Secretary to this o fice, direct.

--

I submit the following replies to the points raised therein.

1) The petitioners are asking for lands in the S.No.6 and S.No.1 comprised in the Tylur State Forest at the time of reservation.

2) The total area of the Tylur State Forest is about 1268 acres.

3) An area of 300 acres from the Eastern side was being marked for release, when the Secretary of the Sangh, Sri Madiah, protested on the ground the area contains rocky patches.

4) The Thangadi plantation with considerable number of sandal is existing at the Western end as shown in the sketch. The value of this cannot be assessed, to any correct degree before extracting and preparing the sandal and auctioning the plantations.

5) Sketch is enclosed.

Tylur State Forest is essentially a rocky area and the area of 300 acres now proposed to be released South of the Kamabasagara and Venkatarayanadoddi road is about the best available, excluding the patch of sandal and seemethangadi in the West. The actualy cultivable area could be assessed only after a careful survey and mapping by the office of the Workings Plans and Forest Surveys.

If I am permitted to furnish my opinion, the Sangha may be advised in view of the urgency, to commence their work from the Eastern poritions, in the areas available for cultivation, pending survey and mapping of the cultivable patches.

Copy

For Chief Conservator of Forests.

Read— Government Order No. 233 FGL 59 dated 28th October 1959. 18-5-60*

2) Letter No.B3.103-890/59 dt.14-3-60 and

3) Petition dated 15-2-1960 from the Secretary, Bapuji Raitha Janodaya Sangha Honnalli, Kanakapura Taluk.

O R D E R

Government ~~have~~ ~~already~~ ~~granted~~ an ~~ex~~ extent of 300-0-0 acres out of the Tylur State Forest, Channapatna Range, ~~[illegible]~~ to the Bapuji Raitha Janedaya Sangha, Honnalli, on conditions stipulated therein for Cooperative Farming in their ~~[illegible]~~ order dated 28-10-1959 stated above; after having considered all aspects of the question in detail at the time.

The Secretary of the Sangh in his letter dated 15-2-1960 states that the land granted is not specified in the Government order referred to above and the Forest Officers state that in the absence of specification, they would allot the land only from the East which is hilly region instead of from the west, i.e., commencing from S.No.6,54 and 1 including the remaining portion of Thangadi Plantation (i.e., about 24 acres which is normally fit for cultivation.

The CCF who was consulted in the matter has stated in his letters stated above that the Tylur ~~Forest is~~ Forest is essentially a rocky area and the area now proposed to be released and which is to the South of Kambasagara and Venkatarayanadoddi road, is ~~stated to be~~ the best area available and ~~this~~ it may be released ~~to~~ in favour of the Sangha. He has further states that as the area asked for by the Sangha which is to the West includes Plantation consisting of Sandal, Tamarind, Eucalyptus etc., it is not advisable to release the same, and also requesting to reconsider the orders issued in Government order dt.28-10-59 in view of the reasons stated by ~~him~~ him therein.

After careful examination of the question further, Government accept the recommendations of the local Forest Officers in so far as grant of the area specified by them is concerned and direct that an extent of 300-0-0 acres already ~~ordered~~ surrendered to the R.D. for Dairy. ~~be~~ released to the Sangha, be released from the area lying South and south-eastern portion of the State Forest as marked in ink in the sketch enclosed herewith, ~~the area~~ bound by the Thangadi Plantion in the west and by the State Forest Boundary to the south, ~~running~~ ~~wards~~ and south-east.

The CCF is requested to take immediate action to hand over the area immediately to the Revenue Department, after disposing the growth if any in the area to the best advantage of the Dept. pending publication of the disforestment ~~of~~ notification, ~~under relevant provisions of the Mysore Forest Act~~ Rules of Enclosures. ~~disposing of at the same time any forest growth if any to the best advantage of Government.~~ He is also requested to forward for publication in the Gazette the requisite Disforestation Notification without further delay.

O R D E R NO. AFD 233 FRL 59.

BANGALORE, DATED THE 25th JUNE 1960.

Government in Government Order No.AFD 233 FRL 59, dated the 23th October 1959 surrendered an extent of 300-0-0 acres out of the Tylur State Forest, Channapatna Range, to the Revenue Department for being assigned to the Bapuji Raitha Janodaya Sangha, Honnalli on conditions stipulated therein for cultivation on Co-operative basis.

The Secretary of the Sangh in his letter dated the 15th February 1960 states that the land granted is not specified in the Government Order referred to above and the Forest Officers state that in the absence of specification, they would allow the land only from the East which is a hilly region instead of from the West.

The Chief Conservator of Forests who was consulted in the matter has stated in his letters stated above that the Tylur Forest is essentially a rocky area and the area now proposed to be released and which is to the South of Hambasagara and Venkatarayanadoddi road is the best area available and it may be released in favour of the Sangha. He has further stated that as the area asked for by the Sangha which is to the West xx includes Plantation consisting of Sandal, Tamarind, Eucalyptus etc., it is not advisable to release the same.

After careful xxx examination of the question, Government accept the recommendations of the local Forest Officers in so far as grant of the area specified by them is concerned and direct that an extent of 300-0-0 acres already surrendered to the Revenue Department for being released to the Sangha, be released from the area lying South and south-eastern portion of the State Forest as marked in ink in the sketch enclosed herewith.

The Chief Conservator of Forests is requested to take immediate action to hand over the area to the Revenue Department after disposing tree growth if any in the area to the best advantage of the Department pending publication of the disforestment notification. He is also requested to forward for publication in the Gazette the requisite disforestation notification without further delay.

By order and in the name of the
Governor of Mysore,

Murthy 28/6

(K.S.N. Murthy)
Deputy Secretary to Government,
Agriculture & Forest Department.

Note 23/6

To

The Chief Conservator of Forests in Mysore, Bangalore,
The Deputy Commissioner, Bangalore,
Copy to the Weekly Gazette.
